

VERNA JEAN NURSERY

Verna Jean Nursery is a second-generation, family-run business providing our customers with quality shade, flowering, and ornamental trees for over 40 years.

In 1967, Verna Jean Hale began her nursery on one acre, farming the land that her grandparents had once farmed. Over the years her nursery grew to almost 17 acres and is now run by Verna Jean's daughter and son-in-law, Angela & Larry Bailey.

Verna Jean prided herself in exceptional customer service and quality, handpicked trees, whether you required five or 500; and it is our strong desire to continue her legacy. Our nursery specializes in ornamental and flowering trees including, Japanese Maple, European Beech, Dogwood, and Monkey Puzzle.

We continue her 38-year tradition by providing quality nursery stock for landscapers and specialty retailers. Please stop in and see us, we would love to meet you,

Larry & Angi Bailey
